Resolution.—Resolved that the District Board adhere to the resolution of the previous Board in regard to the urgent need there is for constructing the bridge across the Bhadra River at Holehonnur. But the Board regret that on account of their low finances, they are not in a position to advance any amount towards the capital cost. The Board would once again request the Government to advance the entire cost from State Funds and recoup the share payable by the District Board out of the extra cess amount which the people of the locality

benefitted have agreed to pay. As regards the previous resolution of the Board agreeing to surrender Rs. 10,000 annually for two years out of the cess income of the District Board, the present Board consider that such surrender will place the District Board finances in a deficit and with due regard to the existing obligations, the Board regret they cannot give effect to the previous resolution. Resolved further that the recommendation of the Standing Committee, regarding transference of certain roads to State management be approved and a representation made to Government that unless the roads mentioned in the resolution of the Standing Committee are taken over by the Government, the financial position of the District Board, will continue to cause anxiety and there is the likelihood of the Board having to place a deficit. EXPENDITURE.

A. Public Works executed by the Public Works Department.—Only maintenance charges of Rs. 68,938, with a sum of Rs. 5,000, for special repairs may be provided with the usual establishment tools and plants charges. With regard to the provision of Rs. 7,000, for original works and Rs. 15,000 for special repair works asked for by the Executive Engineer, the Standing Committee brings to the notice of the Board the resolution of the previous finance committee and District Board, made on 15th August 1926, and also the Government Order on passing the budget for 1925-26 and 1926-27, which runs as follows :—

"The demand is very great. The present financial condition and the income of the District Board cannot permit of such a heavy provision for special repairs and original works. The mileage allotment was increased to prevent such heavy demand. So the provision of Rs. 26,000, for original and special repairs with the establishment charges has to be deleted. If any improvement or construction works or special repairs are found necessary, the estimate for such works if sent early to allow the District Board sufficient time for consideration, each case will have its due consideration of the Board *as funds permit.*"

B. Resolved that with the above modifications the budget may be placed before the District Board for sanction.

Comparing the income and expenditure of the Board there is an excess expenditure of Rs. 22,441, under Service Heads. This expenditure is due to the provision of Rs. 40,000 made for completing the works under progress and opening out new roads construction of buildings for veterinary dispensaries, etc., and other works of public utility, and this the Committee proposes that the same may be met from the balance amount received from the Taluk Boards which amounts to Rs. 1,24,000.

14. Cart-hire bills of President's Office establishment for April and May 1927, amounting to Rs. 7-6-0.

Resolution.—Sanctioned.

15. Deferred subject No. 16 of last meeting. Audit Note with objections for the year 1924-25 :—

Audit observation para 11.—The excess expenditure of nearly 8,000 over the receipts was met out of the Board's invested amount, *viz.*, the Fixed Deposits in the Mysore Bank. The authority if any, under which this amount was utilised may be intimated, as in the sanctioned Budget no provision is made for operating upon this source of income.

Board's reply.—The surplus balance of the Board was first deposited in the Bank of Mysore in the year 1916, for a period of one year or more with the sanction of Government conveyed in their Order No. 3804-5—L. B. 74-16-2, dated 12th December 1916. Government in their Order of sanction have not imposed any restrictions on the Board with regard to operating upon this account when necessary.

Paras 19—21. In their Order No. L. 876-8—L. B. 49-24-36, dated 9th June 1925, condoning the period of suspension of Mr. J. A. R. David, late Market Sergeant, from 6th September 1921 to 30th October 1922, inclusive, so as not to act as interruption of service, Government have stated that no expenditure in excess of what is allowable under the Mysore Service Regulations should be incurred on this account." Mr. David was allowed three-fourths of salary (three-fourths of Rs. 81-4-0) during the period of suspension and the total amount so allowed was Rs. 838-15-6. During his absence there was an extra expenditure of Rs. 642-10-1 being the salaries disbursed to the acting incumbents during the period. Under Article 122 (c) sanction of Government is required to admit the extra cost of Rs. 642-10-1.

Board's reply.—The expenditure had been incurred prior to the receipt of Government Order No. L. 876-8—L. B.—49-24-36, dated 9th June 1925.

Reference to Government may be made to ratify the action of the Board, in the matter of extra cost incurred.

Audit objection, para 34.—Wrong classification of Mohatarfa collections :—

So, as a result of the mistake committed by the Shambhog both in his accounts and also in not making proper entries in the remittance chelan, the total collections under Mohatarfa are not credited to Sanitary Board Funds. Within the past eight years amounts working up to more than ten thousand rupees realised under Mohatarfa have not been credited to the Board, due to misclassification.

Board's reply.—As the result of wrong classification the amount due to the Board has been ascertained to be about Rs. 5,000 after verification of the accounts, of which Rs. 2,215-6-6 has since been refunded and credited to the Board's funds on 20th April 1927, by the District Board of Kolar. For the balance, the Comptroller to Government has intimated that steps are being taken in the matter. He has again been written to in the matter.

Audit objection para 39.—Sixty-seven per cent of the cess on Forest Revenue due to the Board from the year 1917-18 onwards, has not been realised, effective steps may be taken in communication with the authorities concerned to collect the amount, due early.

Board's reply.—The matter is under correspondence between this office and the Conservator of Forests. Reference has again been made to the Conservator to expedite the same.

Audit objection, paras, 62 to 64.—(Account Rules). There are no bye-laws prescribing the account rules of the Sanitary Board. The urgent need for these rules for guidance cannot be too highly emphasised. In the absence of such rules, it is not possible to say whether any particular procedure adopted is proper or not. The Board is at present following the rules in the Mysore Account Codes, the Municipal Account Manual and the Rules under the Local Boards Regulation 1902, as it may suit its purpose. Early action in this direction should be taken without any more delay.

Board's reply.—A Sub-Committee consisting of—

(1) Mr. Nye
(2) „ O. V. Rajagopal
(3) The Vice President
(4) The Medical Officer of Health be formed to frame rules and submit proposals.

Audit objection, para 65.—Under the circumstances, the charges incurred for the purchases made as detailed in objection No. 7 of this Audit Note (and in No. 10 of the audit note for 23-24) by the Vice-President are not accepted in audit. The sanction of the Board may be obtained in the matter and the rule kept in view for future guidance.

"This Council rescinds its previous decision of September last authorising Mr. Daroga Abdul Gaffoor to construct a permanent structure upon the Municipal vacant land just in front of Mr. D. K. Mr. C. Hayavadana Rao raised a point of order that though this is a properly constituted meeting as contemplated in Section 26, Clause (2) of the Municipal Regulation, there is, legally, no business before the meeting for consideration and that the meeting should be dissolved on the ground that the power of granting license under Section 96 of the Municipal Regulation and all its sub-clauses is entirely vested in the Municipal Commissioner under Section 186, clause (g) of the Municipal Regulation and that under Section 186, clause (1) his decisions under Section 96 are not appealable and that therefore it is not within the purview of this Council to consider the subject.

PROCEEDINGS OF THE SPECIAL MEETING OF THE HASSAN DISTRICT BOARD, HELD ON THURSDAY THE 30TH JUNE 1927.

Present.

Ex-Officio Members	2	Non-Officials	23

The District Medical Officer, Hassan, the Exceutive Engineer, Hassan Division and the District Inspector of Education, Hassan were present on invitation.

1. Proceedings of the last meeting.

Resolution.—Recorded.

2. Budget estimates for 1927-28.

Resolution of the Standing Committee.

1. As regards receipts, Government should be requested to transfer the rural Mohatarfa of 1926-27 to the District Funds as the budget estimates for 1926-27 were based on that basis and sanctioned accordingly by Government, and the District Board has also undertaken to complete all the pending and sanctioned well works whose cost is heavy.

2. Toll gates may be opened on the following five roads as approved in G. O. No. L. 8795-814—L. B. 49-25-28, dated 9th June 1927 :—

(a) Tiptur-Hassan road.
(b) Krishnarajpete-Chennarayapatna road.

(d) Mallipatna-Uchangi road.

4. Special repairs to Hampapur-Ramanathapur road, Hassan-Periyapatna-Cannanore road and Frazerpet-Ramanathapur road may depend upon Government contributing a moiety of the cost thereof. As regards other items of works they are covered by Government orders already passed from time to time and therefore the contributions expected from Government may be included in the item of receipts.

5. Likewise, having regard to the large allotment made by the District Board last year for Economic Development work and the funds actually spent in that direction, a sum of Rs. 3,000 may be applied for as Government grant for Economic Development Work, for this District and a provision made therefor on the receipt side, an equal amount being provided therefor out of District Funds.

6. Since the Alur Municipal Council is bound by their promise to pay Rs. 300 a year for Alur loop road, on the basis of which enhanced outlay has been incurred, the amount due by them may be included under receipts.

Since henceforth, roads within Municipal limits vest in the Municipal Councils, under Section 44 of the District Board Regulation, the cost of maintenance of these roads may be included under receipts, as contributions from the Municipalities concerned.

7. A sum of Rs. 5,000 may be provided under drinking water wells fund as contribution from Government, a similar provision being made on the expenditure side also out of District Funds, as many incomplete and sanctioned works are now placed in charge of the District Board for being worked out.

8. Steps may be taken for the opening of Veterinary Dispensaries at Chennarayapatna, Belur and Alur and provision made for Municipal contributions therefor according to the prescribed scale.

EXPENDITURE SIDE.

1. Under A. Public Works.

The Iswarahalli causeway work which has long been pending with the D. P. W. under A. P. W., may be transferred to B. P. W. and executed by the District Board agency, as it is pending unexecuted rather too long with the D. P. W. and the urgency of the work is great, since representations are being made for more than ten years for this work.

2. Alur-Kundur road, and Salgame-Halebid road may be put in hand, Government being requested to meet half the cost.

3. The special repairs to Hampapur-Ramanathapur road, Hassan-Periyapatna-Cannanore road and Frazerpet-Ramanathapur road may be taken up when Government would give contribution of half the cost.

4. That suitable toll-houses be provided at all toll-gates wherever they do not exist.

5. That convenient wells be sunk in all shandy grounds wherever there is no convenience for water for men and cattle.

6. That shandy grounds be all improved by planting trees, making roads and drains, and providing shelter as far as possible.

7. The annual maintenance be provided for Kandali-Bylahalli road, Kabbathi shandy road, road from Ambuga Railway station to Hassan-Arkalgud road *via.* Perumanahalli, Kantarajapur-Mandagere road, Halli-Mysore road and other important local roads.

8. That all District Board Travellers' Bungalows and Musafirkhanas be suitably valued and annual maintenance provided for with a suitable annual allotment.

9. Since under Section 44 of the District Board Regulation, roads within the Municipal limits vest in the Municipalities concerned, the contribution of Rs. 158 to Hassan Town Municipality may be omitted under B. P. W. (contributions to Municipal Funds).

C. 1 ADMINISTRATION.

1. As the existing establishment of the District Board Office is insufficient to cope with the work, the volume of which has increased on account of the abolition of the Taluk Boards and their staff and the devolution of all those works and compilation of figures and statistics relating to various departments, on the District Board, the establishment as sanctioned by Government in their Order No. L. 4074-90—Ml 145-25-19, dated 21—28th December 1926, may be entertained and provision made accordingly for the time being, until final orders of Government are received on the reference already made by the District Board in the matter.

Further resolved that the temporary establishment for Record Sorting work be continued for six months and provision made therefor in the budget.

Also, further resolved that one Typist on Rs. 35-3-65 per mensem be entertained, as hand typing work and Roneo Type Printing work are on the increase and a specially trained hand is necessary for the purpose.

2. That owing to the abolition of the Taluk Boards, more touring must be undertaken by the President and Vice-President of the District Board. Hence an increased provision of Rs. 3,000 may be made under travelling allowance to the establishment including that of the President and Vice-President.

As some of the District Board Committee members are in the moffusil and their T. A. has also to be paid and T. A. has also to be paid to the Representative Assembly members attending the District Board meeting during the discussion of Representative Assembly Local Subjects, the T. A. to members may be increased to Rs. 2,000.

Provision of Rs. 1,800 may also be made for the disbursement of conveyance allowance to the President and Vice-President as per Government Notification No. L. 5470—L. B. 25-26-51, dated 5th February 1927.

3. A sum of Rs. 300 for the purchase of additional requisites for the tent and Rs. 200 for M. O. charges for remitting salaries to the employees of the District Board in the moffusil may be provided.

4. Since the ferry is abolished at Gorur and the District Board is deprived of the ferry income under that head, the contribution of Rs. 157 to Sri Yoganarsimhaswami temple at Gorur may be discontinued and the item of expenditure deleted from the budget.

It may also be noted that the toll income from the bridge does not fetch even half the interest that is being paid in respect of the debenture loan raised for the purpose.

Resolution of the Standing Committee—

"Bagur may be approved as in the Channarayapatna Taluk, no new Dispensaries have been opened since Hirisave and Sravanabelgola. The area is not well

served by roads, *i.e.*, the Bagur and Anathi Hoblies. So Bagur may be approved. District Board will bear its quota for a small Rural Dispensary of the kind proposed by the Board.

Palya. This is an unhealthy area requiring Medical Institution and a Malnad Improvement Dispensary may be opened at the place under the Malnad Improvement Scheme.

As regards Ballu the question may be considered at the meeting of the Board as Ballu people have got to be consulted in the meanwhile before definite opinion can be given."

Resolution.—Palya is an unhealthy area and a Malnad Improvement Dispensary is necessary at the place. It is stated that Ballupet people are willing to provide necessary buildings at once and have in proof of their enthusiasm and earnestness actually collected Rs. 1,400 and will collect Rs. 600 in the course of two or three days and deposit it in the Treasury, as a guarantee that they will soon construct the buildings necessary. The Belgode and Kenchammanahoskote people may be reminded about their promise to provide buildings for the Dispensaries in their places and informed of the possibility of transferring either of these institutions elsewhere. 18. Executive Engineer's letter No. 1822, dated 12th May 1927, forwarding the application for a re-appropriation of Budget grant for 1926-27.

Resolution of the Standing Committee—

"Gorur Bridge. The revised estimate has not been sent to the Board. Hence it can't be accepted.

The increase for the Arsikere-Huliyar Road and that for the out-house to Railway Musafirkhana at Hassan, are sanctioned. The item of Rs. 2,000 can't be sanctioned for want of particulars.

As regards proposed reduction, the one for Kerlapurhalla Girder Bridge may be treated as a surrender and not as an item of re-appropriation. The reduction for Isvarahallihalla and Travellers' Bungalow at Bisle may also be treated as surrender and not as re-appropriation.

The rest may be approved.

Mr. S. Venkatesaiya proposed that as regards the Gorur Bridge, the Board is not agreeable to sanction the re-appropriation proposed as no revised estimate has hitherto been placed before it as the re-appropriation is from a sanctioned item to an unsanctioned excess of which it has no knowledge.

This was seconded by Mr. A. S. Nanjundappa.

Mr. E. V. Ganapathi Iyer moved the following proposition:—

In-as-much-as the Executive Engineer states that the re-appropriation may be made and that a revised estimate has in the usual course been sent to the departmental authorities the Board may provisonally accept the re-appropriation. It would, however, desire that the Public Works Department authorities may send these revised estimates earlier before any excess in estimates sanctioned by it is incurred.

On putting these propositions to vote, Mr. Venkatesaiya's proposition was carried practically unanimously, Mr. Ganapathi Iyer voting against it.

Mr. Ganapathi Iyer's proposition was not supported by anybody and none voted in favour of it.

As regards the re-appropriation about Arsikere-Huliyar Road, and out-house to Railway Musafirkhana, the resolution of the Standing Committee accepting it is approved.

As regards the item of Rs. 2,000 for other small works, the resolution of the Standing Committee that it can't be accepted for want of particulars is approved.

As regards the other items the resolutions of the Standing Committee are approved.

19. Hassan Division Executive Engineer's letter No. 1762, dated 25th April 1927, forwarding plan and estimate for Rs. 3,847 for constructing a tunnel across the cart track from Settihalli to Gorur.

(*b*) Letter No. 331, dated 28th May 1927, from Rev. Father Meyniel, Catholic Priest, Settihalli, in the matter.

(c) General Secretary's letter No. L. 129, dated 11th July 1927, addressed to the Deputy Commissioner in the matter.

Resolution of the Standing Committee—

"Estimate may be sanctioned and the Government requested to contribute half the cost."

Resolution.—The estimate is sanctioned, as resolved by the Standing Committee.

20. Executive Engineer's letter No. 1999, dated 22nd June 1927, calling for the opinion of the Board as to whether funds can be made available for constructing the bridge across Cauvery near Ramanathapur.

Resolution of the Standing Committee—

"Funds can be made available and the Executive Engineer may be informed accordingly."

Resolution.—The Board agree to find funds and urge that this is a piece of urgent work that must be taken up.

21. Executive Engineer's No. 1943, dated 3rd June 1927, forwarding estimates for constructing monsoon thatties to the Medical buildings at Saklespur, for 1927-28.

(Referred Subject No. 24 of the District Board Meeting held on 23rd March 1927).

Resolution of the Standing Committee held on 13th July 1927.

"Resolved that the terms offered by Government in their Order No. 4763-75—L. B. 101-21-18, dated 22nd January 1927, in the matter of taking over the Shimoga-Arasalu line as a State line together with the assets and liabilities of the Railway Loan raised by the Board be accepted to the extent mentioned hereunder:—

(i) The Standing Committee of the Board accept the decision of the Government that the loan raised by the Board shall be treated as a Government loan, but in doing so they desire to invite the attention of the Government to their Order No. R. S. 2278-83—Ry. F. 164 G. 20-21, dated 8th February 1921, wherein the Government have been pleased to direct that the Shimoga District Board Railway Loan, be utilised for the main line with a guarantee of five per cent interest and a proportionate share of profits when net earnings of the line exceed five per cent. In view of this decision which has been acquiesced in by the share-holders, the claims of the debenture holders for a share in the profits of the main line under conditions mentioned above cannot be overlooked. In this view of the case, the claims relating to the share in the profits will have to be retained and complied with. In recommending this course, the Board would bring to the notice of the Government that this is not likely to embarrass the Government to any appreciable extent as the fully paid up shares amount only Rs. 2,23,600, and the share in the profits will have to be paid only when net earnings exceed five per cent a remote contingency.

(ii) The conditions as regards making over the Railway Cess including current year's collections with no claim to any proprietory right in the line is accepted as the whole concern is now treated as a State Concern.

(iii) As regards the appropriation of the annual collections of Railway Cess for meeting the interest charges during the construction stage, etc., the Standing Committee desire to point out respectfully to Government that the condition to charge interest at five and a half per cent on the capital contributed by

Government will place the Board in a worse position than when it undertook to raise the loan as one of the conditions agreed upon between the Board and the Government, was that one half of the capital cost of the line had to be contributed by the Government. In view of the fact that the Board are making over a sum of seven and odd lakhs of rupees towards the capital cost of the line and the Government are contributing only about eleven lakhs the Board should not be made liable for payment of interest charges on the quota of the capital cost which the Government would have had to bear under the original condition, and that too at a rate of five and a half per cent as against five per cent. This aspect of the case deserves special consideration in view of the fact that the development of communications in the Malnad is an important item of work in which the Government are as much interested as the Board.

(*iv*) As the Government undertake the liability to repay the loan raised by the Board and also meet the interest charges the Committee agree, to place at the disposal of the Government the annual collection of the Railway Cess for the next twenty-five years.

Resolution of the District Board.—Resolved that the recommendations of the Standing Committee be approved and communicated to Government.

B. 105-26-2, dated 4th February 1927, asking the District Board to suggest a simple procedure for arranging for payment of interest to bondholders straight from the Treasury instead of the District Board issuing interest warrants, etc., (Referred Subject No. 58 of the District Board Meeting held on 23rd March 1927.)

Resolution No. 2 of Standing Committee held on 13th July 1927.

'In view of the resolutions recorded above this question does not arise for consideration, as the loan becomes a Government Loan and interest payments will have to be arranged by the Comptroller direct.'

Resolution of the District Board.—The resolution of the Standing Committee is approved.

88. Comptroller's letter No. 3349—S. L., dated 6th June 1927, calling for opinion in the matter of arranging for all work connected with the District Board Railway loan being done in his office, etc.

Resolution of the District Board.—The Resolution of the Standing Committee is approved.

Subject.—Consideration of applications received for inclusion of names in the printed voters' list of the Bangalore City Municipality recently prepared and published.

The President stated that 61 applications were received by the Returning Officer, (Municipal Commissioner) for inclusion of names in the voters' list that notices were issued to all these persons as required by rules and that the Returning Officer has recommended the inclusion into voters' list of 58 names as per list placed on the table and the rejection of 3 applications.

The President proposed that the report of the Returning Officer proposing the inclusion of the 58 names in the voters' list be accepted. This was seconded by Mr. N. G. Sanjeeviah and carried unanimously.

As regards the other 3 applications proposed to be rejected by the Returning Officer, the Council went into their merits and considered the grounds urged by them and passed the following orders.—

I. Mr. P. R. Madhava Rao, Door No. 22, Kanakanapalya Road, VI A. Division. Notice served. Not present. *Ex-parte.*

Order.—Since the name of Sri Nagamma Bai who resides in this building has been included in the list of voters on the ground that the house is taxed, the petitioner's name cannot be included.

II. Mr. Begur Narasimhia, Door No. 10, Lal-Bag Road, VI A Division. Notice served. Not present. *Ex-parte.*

Order.—Name cannot be included for the following reasons :—

1. Tax on house No. 10 is below Rs. 5.

2. His plea that he gets an honoraium of Rs. 100 as a helper of the Life Insurance Co., cannot be accepted as honorarium cannot be taken to be salary.

3. The salary that he is drawing as a teacher in the Chamarajapet Girls' Schools is only Rs. 30 as against Rs. 50 and above prescribed in the rules.

III. Mr. K. Seshagiri Rao, Poor House Block, VIII A Division. Notice served. The party was present and heard in person.

Order :—He is not eligible for inclusion in the list as the tax on his house in the Poor House Block is less than Rs. 5.

The President further stated that the Returning Officer as required under Rule 8, Clause (3) has placed before the Council a list of additional names of persons who are eligible for inclusion in the voters' list and proposed that all these names be included in the voters' list. This was seconded by Mr. C. Hayavadana Rao and carried unanimously.

Mr. Niligiri Sanjeeviah brought to the notice of the Council that the name of the "Mysore Printers' Labour Union" which is holding its Office in No. 151, Cottonpet, duly taxed has not been included in the voters' list.

The President stated that the party concerned has not put in any application as required by the Rules and that the Returning Officer has also not brought to the notice of the Council any such alleged omission. He ruled therefore that no action could be taken by the Council under the circumstances.

The President then read to the Council, the Commissioner's memo in the matter of deleting the name of one Mr. Arogyasami enterd in the III C Division, against house No. 142 and retaining the name of Mr. S. N. M. Razvi, who has been duly taxed for that house and said that it might be taken up for consideration.

Mr. W. H. Hanumanthappa raised a point of order that the Commissioner's memo cannot be taken up for consideration since the memo was prepared at the suggestion of one of the Municipal Councillors at this meeting and that the list of such omissions and alterations has not been placed before the House.

The President gave a ruling that under Rule 8 (3) the Commissioner as the Returning Officer is competent to bring to the notice of the Council any omissions he might discover in the list and that this was the proper occasion for him to do so.

Resolution.—The Commissioner's memo was then considered and it was resolved that notices be issued to both Messrs. S. N. M. Razvi and Arogyasami that the question of deletion or retention of any one of their names will be considered by the Municipal Council at a meeting to be held on Monday the 12th instant, at 9 A.M. in the Council Chamber.

Mr. Niligiri Sanjeeviah then proposed and Mr. G. B. Raghavendrachar seconded that the Returning Officer be requested to alter the date fixed for the General Elections in the Calendar published from the 18th October 1927 to 25th October 1927 and to conduct the elections on different dates for different divisions.

Mr. G. Siddaveerappa wished to know if the proposition was in order.

Mr. C. Hayavadana Rao raised a point of order that under the rules it is a duty cast on the Municipal Commissioner, that the matter does not come under the purview of the Council and that the Returning Officer having once fixed the date of the General Elections and published it in the Gazette and in the local papers is precluded from altering the date.

Mr. W. H. Hanumanthappa raised a second point of order that this was entirely a new subject and that it cannot be introduced at an adjourned meeting.

The President did not agree with the views expressed by Mr. C. Hayavadana Rao and gave a ruling that his point of order does not hold good. He accepted the point of order raised by Mr. W.H. Hanumanthappa and ruled that the proposition of Mr. N. G. Sanjeeviah was not in order.

The meeting was then dissolved.

PROCEEDINGS OF A SPECIAL GENERAL MEETING OF THE CITY MUNICIAL COUNCIL, BANGALORE, HELD ON MONDAY THE 12TH SEPTEMBER 1927, AT 8 A.M. IN THE COUNCIL CHAMBER.

Members.

Present ...	18	Absent ...	12

The President in opening the proceedings read the notice convening the Special Meeting, which was as follows:—

"In pursuance of a requisition signed by Fourteen Councillors, a Special General Meeting of the City Municipal Council, Bangalore, will be held on Monday the 12th September 1927, at 8 A.M., in the Council Chamber for the consideration of the following propositions of which notice has been given by them:—

(1) 'This Council strongly disapproves of the conduct of the Commissioner in granting leave to the Special Engineer, Mr. T. Ramachandra Rao, in anticipation of the Council's sanction.'

(2) 'This Council resolves that Mr. T. Ramachandra Rao, the Special Engineer in charge, be recalled to duty immediately pending the decision by the Council on his leave application.'"

Mr. C. Hayavadana Rao, raised a point of order stating that there was before the Council no valid subject or subjects for consideration by it. The notice of motion read by the President showed that the first resolution was a motion for censuring the conduct of the Municipal Commissioner for proposing which there was no provision in the Municipal Regulation. Though the meeting was validly convened as required by the Statute, the resolution referred to could not be considered, as it would be *ultra vires* of the Regulation. The Regulation provides for the consideration of subjects which could validly come before the Council and not others. Even the removal of the Municipal Commissioner may, under certain circumstances be considered by the Council. But there was no provision for proposing a motion of Censure, as sent up. Unless there is a clear and specific provision for proposing a motion of Censure of this kind, this Council would be acting illegelly in considering one of that nature.

As regards the second resolution, Mr. C. Hayavadana Rao said that that question had already been decided at the Council meeting held on the 3rd instant. That being so, the Council was precluded by law from going into it afresh, as the provisions of Section 26, Column 12 of the Municipal Regulation have not been complied with. He added that in these circumstances there was no subject before the Council for consideration and that therefore this meeting should be dissolved.

Before giving a ruling on this point of Order, the President invited the opinion of the Members of the Council on the subject.

Messrs. Belur Srinivasiengar, B. Abdur Rahmon, C. N. Narasinga Rao, Niligiri Sanjeeviah, W. H. Hanumanthappa, B. L. Byanna, G. Paramasiviah, R. Gopalaswami Iyer and G. B. Raghavendrachar gave expression to their views on the point.

The President stated that there was no provision of law to discuss a motion censuring the conduct of the Municipal Commissioner. All that is contemplated under the Regulation, is a motion for the removal of the Municipal Commissioner under certain circumstances and that the latter was not the subject before the House to-day.

Further he said that after Mr. T. Ramachandra Rao the Special Engineer was relieved of his duties under the orders of the Municipal Commissioner, the Municipal Council have granted leave to him and thereby have ratified the action taken by the Municipal Commissioner in granting leave to him in anticipation of sanction by Council. He invited the attention of members to the date of the letter requesting the convening of the Special Meeting, (27th August 1927), and to the date of the Council sanctioning the leave, (3rd September 1927) which he remarked fully bore out, the point that the Council approved of the action of the Munipal Commissioner in the matter.

With regard to the resolution No. 2, the President remarked that the Statute did not permit the discussion of the subject, the provisions of Section 26, Clause 12 not having been complied with. He therefore gave a ruling that the propositions in question were not in order and accordingly declared that the meeting be dissolved.

Subject—Consideration of the question of the retention or omission of any one of the two names noted againt house No. 142, Arlepet, III C. Division, in the Voters' list of the City Municipality, recently prepared.

Mr. C. Hayavadana Rao, said that both the names noted against house No. 142, Aralepet, III C Division, *viz.*, Messrs. S. N. M. Razvi and Arogyasami should be retained.

Just then one member left the Council Chamber and the President's attention was invited to the fact that there was no quorum. The meeting was accordingly adjourned to to-morrow (13th instant) at 5 P.M., for want of quorum.

Subject.—Consideration of the question of the retention or omission of any one of the two names noted against house No. 142, Arlepet, III C Division, in the Voters' list of the City Municipality, recently prepared.

Messrs. S. N. M. Razvi and Arogyasami were present in response to a notice issued by the Municipal Council and they were heard.

Since Mr. S. N. M. Razvi was for preceding year assessed to a tax of Rs. 25, on account of house No. 142, Arlepet, IIIC Division, the Council are of opinion that his name be retained in the voters' list, as he is eligible to vote under Section 12 of the Municipal Regulation. Further it was stated by Mr. Razvi that he has been living in a part of the said house. The Council believed in this statement.

Mr. Arogyasami states that he is a servant as Head Fitter of the Bangalore Woollen, Cotton and Silk Mills, Co., which has been duly registered under the Companies' Regulation on a salary of Rs. 60 per month. This statement is corroborated by the Revenue Manager, who is reported to have investigated the question.

The Council is therefore of opinion that Mr. Arogyasami is qualified under Rule 5, Clause (*c*) of the Election Rules to vote and hence his name also be retained in the Voters' list on this ground.

Interpellations.	*Answers.*
1. Will the President be pleased to kindly state whether the consent of the Municipal Council has been taken for the removal of the stone slabs from the V.-shaped drains from some of the portions of the Mysore City? If not, why was not the Council consulted? If consulted, when? and for the removal of which portion?	Estimates were sanctioned by the Works Committee and the Council for kerbing the roads with old stones.
2. Will not the sanitation of the localities be affected by such removal?	No. These drains were serving no purpose.
3. Have not the rate-payers of the concerned localities objected for such removal? If the rate-payers have protested, were such protests brought to the notice of the Council? If not, why not?	There were one or two complaints. Persons that so complained were met at the spot and their wants attended to. They were satisfied that the removal resulted in no damage to their property.
4. What is the total number of such slabs removed and the total number of running feet of slabs so removed? and the localities and streets from which the slabs have been removed?	The accompanying statement gives details.
5. For what purpose the slabs have been used?	For kerbstone and tunnels across roads and lanes.
6. What was the expenditure originally incurred by the Municipality for fixing those V-shaped drains? (such of those that have been removed.)	Not known.
7. What is the total savings effected by adopting this procedure to curb the roads instead of purchasing new slabs?	Rs. 16,066.

Supplemental Questions by Mr. P. Sitaramiah.

Interpellations.	*Answers.*
8. Since V-shaped drains were of a permanent nature, was any special proposition brought up before the Council?	No.
9. Was the Health Officer consulted before removal of stones from these drains?	Yes informally.
10. Before removal has there been any estimate made of the quantity available?	Yes.
11. Does not the removal of V-shaped drains cause in some localities stagnation of sullage water and cause insanitation?	These V-shaped drains serve no useful purpose in carrying away sullage.
12. Are stones removed only from V-shaped drains carrying storm water.	Yes.
13. Are there no cases to the contrary?	Notice is required.
14. Taking into consideration the cost incurred in constructing these drains originally, is it not more economical to have used new stones.	It is certainly not economical to have used new stones as the old drains were serving no useful purpose and it was a waste leaving the old stones there.
By Mr. P. S. Ramaswamiengar.	
15. Were the localities inspected by the officers after removal of the slabs?	Yes.
16. Has Ramachandra Agrahar not become insanitary on account of such removal?	No.
By Mr. K. Dhanakotichetty.	
17. Are the roads not damaged on account of removal of the stones?	Stones are removed only when it is ascertained that no damage is caused to roads.
By Mr. H. C. Dasappa.	
18. How many estimates were placed before the Council?	Information will be furnished.
19. Does the removal of stones binding concrete drains not cause damage to roads?	No.
20. Has the removal not resulted in the loss of some stones?	Some cases came to notice and were duly dealtcn with, the contractor being made responsible for such losses.
By Mr. Y. Virupakshiah.	
21. Are these stones used for both new and old foot-paths?	Yes.
By Mr. P. S. Ramaswamy Iyengar.	
22. Has entry been made in the measurement books of the quantity removed?	No. Entry is made in the note books maintained by the Sub-Overseers.

24. Have not the executive authorities come to know the article "removal of slabs from the V-shaped drains of Kothwal Ramayya's Street," published in the Newspaper?	Yes. It is from the people of this spot that I received the complaint and they were satisfied with the explanation given to them.
